

SmartLink Schools Pilot Syllabus File

Sample term-aligned syllabus for Reign International Academy and Happy Feet Montessori Preschool

Designed for syllabus upload, AI extraction, teacher review, Daily Drills, and parent progress summaries.

Document Type	Sample syllabus upload file for SmartLink Schools
School / Pilot Target	Reign International Academy and Happy Feet Montessori Preschool, Chileka
Curriculum Track	Cambridge Primary-style starter plan + Montessori Early Years activity plan
Pilot Scope	4-week starter syllabus for one primary class and one preschool group
Subjects	English / Spelling, Mathematics, Science, Montessori Practical Life, Sensorial, Language, Math, Culture
Prepared For	SmartLink Schools pilot demonstration and term setup
Date Prepared	19 June 2026

Important note: This is a sample planning file, not an official Cambridge, Montessori, MANEB, or school-approved syllabus. The school should review, edit, and approve all extracted topics before use with students.

1. Purpose and Upload Instructions

This PDF is structured so SmartLink Schools can read it, extract curriculum fields, and present them to a teacher/admin for approval. It should be used as a pilot demonstration file or editable planning template.

Field	Value SmartLink should extract
School	Reign International Academy and Happy Feet Montessori Preschool
Academic Year	2026/2027 or school-selected year
Term	Term 1 - new term pilot setup
Term Dates	To be confirmed by school: Start _____ End _____
Pilot Class	Cambridge Primary Stage 3 or nearest school-selected class
Preschool Group	Happy Feet Montessori Early Years
Approval Rule	All topics, questions, answers, and explanations require teacher approval before student use

Suggested extraction tags: curriculum, level, stage, subject, week, topic, subtopic, learning objective, skill, daily drill focus, assessment note, parent summary note, confidence score.

2. Term Setup Overview

Period	Term Setup Goal	SmartLink Output
Pre-term	Import class list, teacher list, parent contacts, term dates, and syllabus plan.	Term dashboard, approved topic map, parent invitation list.
Week 1	Baseline checks, welcome updates, class routines, spelling/math readiness.	Baseline mastery snapshot and first parent update.
Week 2	Start Daily Drills from approved topics.	Student drill attempts and early weak-topic detection.
Week 3	Continue weekly topics and review weak areas.	Teacher insight: class weak topics and missed drills.
Week 4	Mini progress review and parent summary.	Weekly summary showing completed drills, strengths, and support areas.

3. Happy Feet Montessori Early Years - 4 Week Starter Plan

Level: Montessori Early Years / Preschool. Focus: gentle development, observation, practical activities, language confidence, numeracy foundations, and parent visibility. No high-pressure exam mode should be used.

Week	Topic	Details for SmartLink extraction
1	Practical Life - Care of self and environment	Subtopics: Hand washing, pouring, spooning, tidying learning space. Objectives: Follow simple routines; improve coordination; show independence. Skills: fine motor, independence, routine Daily Drill: Optional 3-item picture routine check. Assessment Notes: Teacher observation checklist.
1	Language - Listening and oral expression	Subtopics: Name objects, follow two-step instructions, story circle. Objectives: Listen attentively; answer simple questions; use new words. Skills: listening, vocabulary, speaking Daily Drill: Oral vocabulary game. Assessment Notes: Anecdotal notes; no formal scoring.
2	Sensorial - Shapes, colours, and matching	Subtopics: Sort by colour, match basic shapes, compare sizes. Objectives: Identify common colours and shapes; group similar items. Skills: classification, visual discrimination Daily Drill: Picture matching activity. Assessment Notes: Photo evidence or observation.
2	Mathematics - Counting 1-10	Subtopics: Count objects, match number symbols, compare more/less. Objectives: Count accurately with objects; recognise numbers 1-10. Skills: counting, one-to-one correspondence Daily Drill: Counting objects 1-10. Assessment Notes: Short activity check.
3	Culture - My school and community	Subtopics: People at school, classroom roles, helping others. Objectives: Identify school helpers; practise respectful behaviour. Skills: social awareness, confidence Daily Drill: Match helper to role. Assessment Notes: Participation notes.
3	Language - Phonics readiness	Subtopics: Initial sounds, rhymes, picture-word matching. Objectives: Hear beginning sounds; match simple picture sounds. Skills: phonemic awareness Daily Drill: Initial sound picture drill. Assessment Notes: Simple teacher-led oral check.
4	Practical Life - Grace and courtesy	Subtopics: Greeting, sharing materials, waiting turn, saying thank you. Objectives: Practise polite classroom behaviour and turn-taking. Skills: social skills, self-regulation Daily Drill: Scenario choice activity. Assessment Notes: Observation summary for guardian.
4	Mathematics - Patterns and sorting	Subtopics: AB patterns, object sorting by size/colour/type. Objectives: Continue simple patterns; explain sorting rule. Skills: patterning, reasoning Daily Drill: Finish the pattern. Assessment Notes: Practical task completion.

4. Cambridge Primary Stage 3 - English and Spelling

Level: Cambridge Primary-style Stage 3 starter plan. Subject: English / Spelling. Focus: reading fluency, vocabulary, grammar, spelling patterns, and simple writing.

Week	Topic	Details for SmartLink extraction
1	Reading routines and comprehension	Subtopics: Short stories, main idea, who/what/where questions. Objectives: Read a short text and answer literal questions; identify main character and setting. Skills: reading, recall, comprehension Daily Drill: 5 short comprehension questions. Assessment Notes: Baseline reading check.
1	Spelling list 1	Subtopics: Short vowel words and common classroom words. Objectives: Spell selected weekly words correctly and use them in oral sentences. Skills: spelling, vocabulary Daily Drill: 5-word spelling drill. Assessment Notes: Friday spelling check.
2	Sentence building	Subtopics: Capital letters, full stops, simple sentence order. Objectives: Write clear simple sentences using correct punctuation. Skills: grammar, writing Daily Drill: Fix-the-sentence questions. Assessment Notes: Teacher marks short written responses.
2	Vocabulary growth	Subtopics: Synonyms, antonyms, word meaning from context. Objectives: Use context to understand common words; choose suitable alternatives. Skills: vocabulary, reasoning Daily Drill: Multiple choice word meaning. Assessment Notes: Low-stakes class quiz.
3	Grammar basics	Subtopics: Nouns, verbs, adjectives. Objectives: Identify nouns, verbs, and adjectives in simple sentences. Skills: grammar, classification Daily Drill: Label word type in sentences. Assessment Notes: Auto-mark objective items.
3	Spelling list 2	Subtopics: Consonant blends and common high-frequency words. Objectives: Spell weekly words and recognise patterns. Skills: spelling, phonics Daily Drill: Spelling + sentence completion. Assessment Notes: Friday spelling check.
4	Writing short paragraphs	Subtopics: Topic sentence, supporting details, neat ending. Objectives: Write a short paragraph about school/home using 3-5 sentences. Skills: composition, organisation Daily Drill: Choose best sentence order. Assessment Notes: Teacher review for writing.

5. Sample English / Spelling Question Seeds

Topic	Question / Answer	Explanation
Spelling List 1	Type: short_answer Question: Spell the word: school Correct answer: school	The word school begins with sch and ends with ool.
Grammar Basics	Type: multiple_choice Question: Which word is a verb? A. jump B. blue C. table Correct answer: A	A verb is an action word. Jump is an action.
Sentence Building	Type: short_answer Question: Rewrite correctly: my name is ana. Correct answer: My name is Ana.	A sentence starts with a capital letter and names start with capital letters.

6. Cambridge Primary Stage 3 - Mathematics

Subject: Mathematics. Focus: number confidence, operations, measurement, shapes, and problem solving.

Week	Topic	Details for SmartLink extraction
1	Number and place value	Subtopics: Counting, ordering, tens and ones, compare numbers. Objectives: Read, write, order, and compare numbers within the class range. Skills: number sense, comparison Daily Drill: 8 number questions. Assessment Notes: Baseline number check.
1	Addition and subtraction review	Subtopics: Mental addition, subtraction, missing numbers. Objectives: Add and subtract simple numbers using mental or written strategies. Skills: calculation, fluency Daily Drill: Mixed addition/subtraction. Assessment Notes: Auto-mark objective items.
2	Multiplication foundations	Subtopics: Repeated addition, 2x, 5x, 10x facts. Objectives: Represent multiplication as equal groups and repeated addition. Skills: multiplication, reasoning Daily Drill: Times-table fluency. Assessment Notes: Teacher checks working.
2	Word problems	Subtopics: One-step problems using addition/subtraction. Objectives: Choose the correct operation for a simple word problem. Skills: problem-solving Daily Drill: Story problem daily drill. Assessment Notes: Track wrong-operation mistakes.
3	Measurement	Subtopics: Length, mass, capacity, choosing units. Objectives: Use appropriate units and compare measurements. Skills: measurement, estimation Daily Drill: Unit choice and comparison. Assessment Notes: Practical measurement task.
3	Geometry	Subtopics: 2D shapes, sides, corners, symmetry intro. Objectives: Identify common shapes and describe simple properties. Skills: geometry, classification Daily Drill: Shape property questions. Assessment Notes: Auto-mark MCQ.
4	Fractions introduction	Subtopics: Halves, quarters, equal parts, simple diagrams. Objectives: Recognise halves and quarters as equal parts of a whole. Skills: fractions, visual reasoning Daily Drill: Picture-based fractions. Assessment Notes: Teacher review for diagrams.

7. Sample Mathematics Question Seeds

Topic	Question / Answer	Explanation
Place Value	Type: multiple_choice Question: What is the value of 5 in 352? A. 5 B. 50 C. 500 Correct answer: B	In 352, the 5 is in the tens place, so its value is 50.
Addition	Type: short_answer Question: $27 + 15 = ?$ Correct answer: 42	Add ones first, then tens. $27 + 15 = 42$.
Fractions	Type: multiple_choice Question: Which fraction means one out of two equal parts? A. $\frac{1}{4}$ B. $\frac{1}{2}$ C. $\frac{2}{3}$ Correct answer: B	One out of two equal parts is one half, written as $\frac{1}{2}$.

8. Cambridge Primary Stage 3 - Science

Subject: Science. Focus: observation, questioning, living things, materials, forces, and simple scientific enquiry.

Week	Topic	Details for SmartLink extraction
1	Living things	Subtopics: Plants and animals, basic needs, habitats. Objectives: Describe what living things need and identify simple habitats. Skills: observation, classification Daily Drill: Living/non-living questions. Assessment Notes: Class discussion + quiz.
1	Scientific enquiry	Subtopics: Observe, predict, record. Objectives: Make simple observations and record findings using words or pictures. Skills: enquiry, recording Daily Drill: Observation vocabulary. Assessment Notes: Practical observation task.
2	Plants	Subtopics: Parts of a plant, roots, stem, leaves, flowers. Objectives: Name common parts of a plant and describe simple functions. Skills: recall, explanation Daily Drill: Plant part matching. Assessment Notes: Auto-mark matching/MCQ.
2	Materials	Subtopics: Wood, plastic, metal, glass, fabric. Objectives: Identify materials and describe properties such as hard, soft, smooth, rough. Skills: classification, vocabulary Daily Drill: Material property questions. Assessment Notes: Practical sorting activity.
3	Forces and movement	Subtopics: Push, pull, movement, simple speed/direction changes. Objectives: Describe pushes and pulls and observe how objects move. Skills: cause-effect, observation Daily Drill: Push/pull examples. Assessment Notes: Teacher-led practical notes.
3	Health and hygiene	Subtopics: Clean hands, food, exercise, rest. Objectives: Explain basic habits that keep the body healthy. Skills: health literacy Daily Drill: Short scenario questions. Assessment Notes: Parent summary note.
4	Earth and weather	Subtopics: Weather observation, clouds, rain, sun, wind. Objectives: Observe daily weather and use simple weather words. Skills: observation, recording Daily Drill: Weather vocabulary. Assessment Notes: Mini weather diary.

9. Sample Science Question Seeds

Topic	Question / Answer	Explanation
Living Things	Type: multiple_choice Question: Which one is a living thing? A. stone B. goat C. chair Correct answer: B	A goat is living because it grows, needs food, and can reproduce.
Plants	Type: short_answer Question: Which part of a plant takes in water from the soil? Correct answer: roots	Roots help the plant take in water and hold it in the soil.
Materials	Type: multiple_choice Question: Which material is usually transparent? A. glass B. wood C. cloth Correct answer: A	Transparent means light can pass through it. Glass is usually transparent.

10. Daily Drill Rules for This Pilot

Daily Drills should be short, teacher-approved, and aligned with weekly topics. SmartLink should not use unapproved AI-generated questions with students.

Class / Level	Drill Length	Subjects	AI Use
Montessori Early Years	3-5 guided items, optional	Practical Life, Sensorial, Language, Math	AI may draft teacher activities only; no direct child AI tutor.
Cambridge Primary Stage 3	5-8 questions, 5-10 minutes	English, Spelling, Mathematics, Science	AI may simplify approved explanations after student asks for help.

11. Assessment and Parent Summary Plan

Assessment Type	When	Purpose	SmartLink Record
Baseline check	Week 1	Find starting level in spelling, reading, number, and science vocabulary.	baseline_assessments and mastery snapshot
Daily Drill	Week 2 onward	Low-pressure practice and weak-topic detection.	drill_sessions and student_topic_mastery
Friday spelling check	Weekly	Track weekly spelling progress.	question_bank + weekly result
Teacher observation	Ongoing	Capture Montessori practical and social development.	teacher observation note
Parent summary	End of week	Communicate progress without shaming learners.	guardian weekly drill summary

Parent summary example: Your child completed 4 of 5 practice activities this week. Strong area: number recognition. Support area: spelling short vowel words. Recommended home activity: read one short story together and practise five words for 10 minutes.

12. Teacher Approval Checklist

Item	Approve?	Notes
Term dates entered correctly	Yes / No	
Class/stage selected correctly	Yes / No	
Subjects match school plan	Yes / No	
Weekly topics match teacher scheme of work	Yes / No	
Daily Drill questions are age-appropriate	Yes / No	
Answers and explanations are correct	Yes / No	
Parent summary wording is non-shaming	Yes / No	

13. SmartLink Extraction Schema

SmartLink should extract the following fields from this PDF and present them to the school for approval.

Schema Field	Expected Value
school	Reign International Academy and Happy Feet Montessori Preschool
term	Term 1 or school-confirmed term
pilot_duration_weeks	4
track_1.level	Montessori Early Years
track_1.subjects	Practical Life, Sensorial, Language, Mathematics, Culture
track_2.level	Cambridge Primary Stage 3
track_2.subjects	English, Spelling, Mathematics, Science
approval_required	true
student_use_requires_approved_questions	true

14. Approval Sign-off

Role	Name	Signature	Date
School Director / Headteacher			
Pilot Teacher			
SmartLink Representative	Romeo Mbeya		

15. References Used to Build This Sample

This document is a sample and does not copy official Cambridge assessment papers or proprietary school materials. It uses public curriculum descriptions only for broad structure.

Cambridge Primary curriculum: Cambridge International states that Cambridge Primary offers over ten subjects including English, mathematics and science, with opportunities for creativity, expression and wellbeing.
